Re: New Information Regarding Our September 9, 2010 Complaint

Dear Commissioners:

This letter provides additional information that recently came to light with regard to our September 9, 2010 complaint against the Conservatives for Congress Committee. On October 1, 2010, the Giffords for Congress campaign committee received an email from an Arizona Republic reporter. That email forwarded correspondence from Conservatives for Congress. *See email enclosed at Tab 1.* This email states that Dwight Jones, of Jones Outdoor Advertising Company, is the individual or business responsible for the placement of the political advertisements. (These allegations have been neither confirmed nor denied by Dwight Jones or Jones Outdoor Advertising.) Whether this expenditure was a business expenditure made by Jones Outdoor Advertising, or a properly accounted-for individual expense paid to Jones Outdoor Advertising by Dwight Jones is not entirely clear from the contents of the email. Accordingly, we request that you take this information into account in your investigation of potential violation(s) of the Federal Election laws.¹

¹ According to its website, Jones Outdoor Advertising has the following contact information: 10657 E. Old Vail Connection Road, Tucson, Arizona, 85747; (520) 749-1307.

Again, because this advertising is potentially viewed by thousands of individuals each day, and in light of the proximity to election day, we request that the Commission conduct an immediate investigation into this matter, and subject the responsible party to the highest penalties provided under this statute.

Very truly yours,

Christine Hammerle
